Your Child's Nutrition Is a Must!

Getting adequate nutrition is never more crucial than during childhood. New tissues, bones and muscles develop at an astonishing pace. The immune system is a big part of your child's development and overall health. Energy to run, jump, play and learn is dependent on nutrient intake.

That's where NSP children's products come in. Our line of supplements includes vitamin, mineral and herb formulations to provide kids with nutrients they may be missing from their everyday diets, plus homeopathic remedies.

And NSP offers an array of health-building supplements suitable for both adults and kids, designated with a "4 Kids Too!" logo on the label. You can trust NSP to provide children's nutritional products that are balanced, safe and wholesome.

Daily Chewable Vitamin C

Immune System & General Nutrition

NSP Chewable Vitamin C is made from naturally wholesome, freeze-dried orange juice mixed with rose hips. It contains no artificial flavors, colors or sucrose. It's flavored with lemon-lime and whole, freeze-dried orange juice. Provides 250 mg Vitamin C per tablet.

Stock No. 1633-8 (120 tablets)

Just for Kids

Children's Chewable Multiple Vitamins and Minerals

General Nutrition & Immune System

A must for the growing child, NSP Children's Chewable Vitamins and Minerals contains vitamins and minerals essential for optimal growth. This improved formula still contains a full day's supply of vitamins A, C, D, E, folic acid, thiamin, riboflavin, niacin, B6, B12, biotin, pantothenic acid and iron. And now it also includes vitamin B1, zinc, copper, manganese, chromium, selenium and iodine. Contains no artificial flavors, colors, sucrose, starch or preservatives, and it's naturally flavored with lemon-lime, freeze-dried orange juice and papaya fruit.

Stock No. 1593-0 (90 tablets)

Children's Liquid Multiple Vitamins Plus Iron®

General Nutrition & Immune System

An orange-flavored vitamin source with iron, recommended for children who would rather take a liquid, Children's Liquid Multiple Vitamins contains no artificial colors, flavors, sucrose, starch or preservatives. This product contains a full day's supply of vitamins A, C, D, E, folic acid, thiamin, riboflavin, niacin, B6, B12, biotin, pantothenic acid and iron for your child's important health needs.

Stock No. 3330-6 (4 fl. oz.)

Children's Chewable Antioxidants with Grapine®

General Nutrition & Immune System

Antioxidants help the body fight the damaging effects of free radicals. That's why Children's Chewable Antioxidants contains beta-carotene, vitamins C and E, proanthocyanidins from grape seed and pine bark extracts, licorice flavonoid extract (a potent, tasteless antioxidant) and lycopene. Use in addition to NSP Daily Chewable or Liquid Multiple Vitamins Plus Iron. Your child will enjoy the natural lemon-lime flavor.

Stock No. 3301-5 (120 tablets)

Special Needs

Children's Chewable Elderberry Plus

Immune & Respiratory System Support

Because this product contains elderberry fruit concentrate and the powerful adaptogens reishi mushroom and astragalus, it can help your child during seasonal changes. Children's Chewable Elderberry Plus is naturally flavored with elderberry, lemon and lime.

Stock No. 3300-9 (60 tablets)

L. Reuteri

Intestinal & Immune Support

Lactobacillus reuteri strengthens the body's natural defenses and maintains the delicate balance of bacteria in the gastrointestinal tract. NSP L. Reuteri helps restore the friendly intestinal flora that may be depleted through antibiotic use and helps relieve occasional gastrointestinal distress, such as diarrhea. L. Reuteri comes in a chewable tablet with a natural lemon flavor, making it a perfect choice for children, and it requires no refrigeration so it's great for travel.

Stock No. 1559-0 (60 tablets)

Focus Attention

Nervous System

Focus Attention Powder is a great-tasting supplement that's easy to use. With millions of children facing increasing mental stimulation, Focus Attention can be of great benefit. This product supports blood circulation and neurotransmitters in the brain through important ingredients such as *Ginkgo biloba*, DMAE and *Melissa officinalis*. It encourages balanced mental activity. It's available in capsules and powder.

Stock No. 1843-0 (3.3 oz. powder)

Stock No. 1833-4 (90 capsules)
